- Percentage: 63.3

Secondary Education (10th)

- ZPHS School, Bandameedapalli(V) 2019-2020
- Percentage: 94.7

PROJECT

Automatic rain sensing car wipers.

..... The Automatic Rain Sensing Car Wipers system detects rain on the windshield using sensors and automatically adjusts the wiper speed based on the intensity of the rain. This enhances driving safety by ensuring optimal visibility without manual control. It offers convenience, efficiency, and improves the overall driving experience.

INTERNSHIP

Python Full Stack Developer Virtual Internship , during Oct - Dec 2024

- Successfully completed a 10-weeks unpaid internship focused on Django framework web application.
- Contributed to the optimization of web applications, improving performance and scalability.
